

PORT OF AIRLIE MARINA DEVELOPMENT

Contents

Executive Summary	i
1. Introduction	1-1
1.1 The Project	1-1
1.2 Identification of Proponents	1-1
1.3 History of the Proposal	1-3
1.4 Project Objectives	1-5
1.5 Development Principles	1-5
1.6 Rationale	1-6
1.7 Overall Schedule	1-7
1.8 Stage 2	1-7
2. Project Description	2-1
2.1 Overview	2-1
2.1.1 Location	2-1
2.1.2 Current Land Tenure	2-4
2.2 Project Master Plan	2-4
2.3 Proposed Land Use	2-6
2.4 Proposed Land Tenure	2-8
2.5 Description of Development Components	2-10
2.5.1 Marina	2-10
2.5.2 Marina Facilities Area	2-11
2.5.3 Passenger Ferry Terminal	2-13
2.5.4 Marine Training Academy	2-14
2.5.5 Public Boat Ramp	2-14
2.5.6 Public Transportation Interchange	2-14
2.5.7 Public Open Space	2-15
2.5.8 Marina Retail and Commercial	2-15
2.5.9 Marina Apartment Hotel	2-16
2.5.10 Residential and Tourism	2-16
2.5.11 Future Development Area	2-16
2.5.12 Maintenance Dredging Spoil Area	2-18
2.6 Infrastructure and Services	2-18
2.6.1 Site Drainage	2-18
2.6.2 Sewage	2-20
2.6.3 Water Supply	2-21
2.6.4 Solid Wastes	2-21
2.6.5 Power Supply	2-21
2.6.6 Transportation	2-22
2.6.7 Telecommunications	2-25
2.6.8 Emergency Planning and Services	2-25
2.7 Construction	2-26
2.7.1 Dredging and Excavation	2-26
2.7.2 Infrastructure and Facilities	2-33
2.7.3 Building and Structures	2-33
2.7.4 Construction Schedule	2-33
2.7.5 Quantities	2-34
2.7.6 Construction By Products and Waste	2-35
2.7.7 Safety and Emergency Management	2-35
2.7.8 Hazardous Materials	2-35
2.7.9 Employment during Construction	2-36
2.7.10 Traffic and Access	2-37
2.8 Operation and Maintenance	2-38
2.9 Project Costs	2-39
2.10 Economic and Employment Opportunities	2-39

PORT OF AIRLIE MARINA DEVELOPMENT

3.	Justification and Alternatives	3-1
3.1	Justification	3-1
3.1.1	Existing and Proposed Marina Capacity	3-1
3.1.2	Identified Demand	3-2
3.1.3	Compatibility with Airlie Beach	3-4
3.2	Financial Feasibility	3-5
3.3	Alternatives	3-5
3.3.1	Alternative Sites	3-5
3.3.2	Alternative Layouts	3-8
3.3.3	Alternative Site Access	3-9
3.3.4	Alternative Spoil Disposal Options	3-10
3.3.5	Marina Only Option	3-11
3.3.6	Marina and Commercial Only Option	3-12
3.3.7	Transport Routes	3-12
3.3.8	Other Similar Developments	3-12
3.3.9	No Project Alternative	3-13
3.4	Proponent's Environmental Record	3-14
4.	Legislation and Planning Issues	4-1
4.1	Commonwealth Approvals	4-1
4.1.1	Environment Protection and Biodiversity Conservation Act 1999	4-1
4.1.2	Great Barrier Reef Marine Park Act 1975	4-1
4.2	Queensland Government Approvals	4-2
4.2.1	EIS Process	4-2
4.2.2	Post-EIS Approvals	4-3
4.2.3	Native Title	4-10
4.3	Strategic Planning	4-10
4.3.1	The Whitsunday Shire Council Strategic Plan	4-10
4.3.2	The Draft Whitsunday Hinterland and Mackay 2015 Regional Plan (WHAM 2015)	4-19
4.3.3	The Whitsunday Tourism Strategy (1997)	4-23
4.3.4	The Vision Airlie Strategy	4-25
4.3.5	Draft Whitsunday Retail Strategy	4-25
4.3.6	State Coastal Management Plan	4-26
4.4	Local Land Use Issues	4-29
4.4.1	Existing Land Use Pattern	4-29
4.4.2	Local Planning Issues	4-29
5.	Coastal Processes	5-1
5.1	Existing Coastal Environment	5-1
5.1.1	Bathymetry	5-1
5.1.2	Coastal Sediments	5-1
5.1.3	Ocean Water Levels	5-3
5.1.4	Hydrodynamic Processes	5-5
5.1.5	Wave Climate	5-6
5.1.6	Erosion Prone Area	5-8
5.2	Maintenance Dredging	5-8
5.2.1	Siltation Rates	5-8
5.2.2	Frequency of Maintenance Dredging	5-10
5.3	Foreshore Protection Measures	5-10
5.4	Potential Impacts on Coastal Environment	5-12
5.4.1	Sediment Processes and Maintenance Dredging	5-12
5.4.2	Ocean Water Levels	5-13
5.4.3	Hydrodynamic Processes	5-13
5.4.4	Erosion Prone Area	5-14
5.4.5	Natural Hazard Management	5-14
